Vacancy

Orthotics Technicians

Steeper Group is a privately-owned business that was formed almost 100 years ago. Since then we have expanded across prosthetics, orthotics and assistive technology – with a focus on creating significant turning points in individuals' lives through exceptional clinical services and award-winning products.

We are a true leader in our market. From humble beginnings, we have grown to become one of the UK's largest suppliers of Orthotic, Prosthetic and Assistive Technology products. Uniquely, we combine age-old craft skills with the latest innovations in manufacturing and materials.

Steeper's vision is to create life's turning points, together. We aim to do this with innovative prosthetic, orthotic and assistive technology products and services.

We currently have vacancies for motivated team players to join our company as Technicians, working within our **Repair and Adapts**, **Insoles** and **Made to Measure** departments in Orthotics.

Our aim is to create positive turning points through innovative prosthetic, orthotic and assistive technology products combined with continuously committed clinical services. Joining Steeper as a Technician means you'll be part of a company which truly makes a difference to the quality of peoples' lives.

To do this role you will need to be confident at using hand tools, and have excellent attention to detail. You'll also need to be focused and able to demonstrate that you can operate in a high-pressure volume related environment, ensuring that all work undertaken is ready for delivery within the relevant timescales. In addition, you'll need to:

- Work with fellow technicians to improve processes and overall production effectiveness
- Maintain KPI's (key performance indicators)
- Train and develop others in the team
- Undertake training as deemed necessary
- Ensure all QA systems and working practises are strictly adhered to at all times
- Ensure that all NCRs are processed without a backlog
- Troubleshoot issues as and when required

The ideal candidates will have previous experience within Orthotics Manufacturing.

If you feel you have the necessary attributes to be considered for the above position, to apply, please complete an application form or submit your CV.

Application forms can be obtained by emailing the HR team on (hr@steepergroup.com). Alternatively visit <https://www.steepergroup.com/about-steeper/our-people/careers/> and download an application form from the website. Due to the high volume of applications we anticipate we will receive for this role, in the event you have not heard from us within 14 days, we regret to inform you that you have been unsuccessful in your application.

Steeper is committed to valuing diversity and treating everyone who works for or wishes to work for us fairly. We will treat everyone with the same attention, courtesy and respect, regardless of age, impairment, ethnic origin, nationality, religion or belief, social class, sex, sexual orientation, gender reassignment, marital or civil partnership status, responsibility for dependents, pregnancy and maternity or trade union activity. Steeper is committed to act positively towards disabled people and we actively welcome applications from disabled people.
