**ONLY £13,642**

From  
THE FREEDOM BY PROTEOR RANGE

**Including:**

- Freedom Plié 3 Knee
- Adapters
- Designer Fairings
- 6 x Freedom Foot Options

# Steeper MPK Package

The Steeper MPK package provides for a full limb build with a 30 day trial period. This package includes a Freedom by PROTEOR Plié 3 knee alongside your choice from a selection of six Freedom foot options, in addition to adapters, designer fairings, and a five year warranty. **All for just £13,642.**

## Freedom by PROTEOR Plié 3 knee

The Freedom Plié 3 knee is still the fastest MPC knee, responding 10 to 20 times more rapidly than other MPC knees.

## Adapters

With a choice of two sets of adapters, the Plié 3 MPK package provides flexibility to the clinician by offering a variety of build options.

## Designer Fairings

The Plié 3 designer fairings protect the frame and bring the user's own style to the knee. With a variety of colours and designs to choose from, customising the Plié 3 has never been easier. For a full list of colours please consult the Plié 3 brochure.

## Freedom by PROTEOR Foot Options

Included within the MPK package from Steeper is a choice of Freedom feet: Kinterra, Sierra, Highlander, Agilix, Pacifica LP and DynAdapt. All feet are designed to help the user retain an active lifestyle, by providing a smooth and efficient gait with stability and excellent energy return.

### Freedom **Kinterra**

Combining hydraulics and carbon fibre technology, the Kinterra provides the user with rock solid stability.

### Freedom **Sierra**

The unique angle-top design increases the length of the carbon fibre spring maximising flexibility.

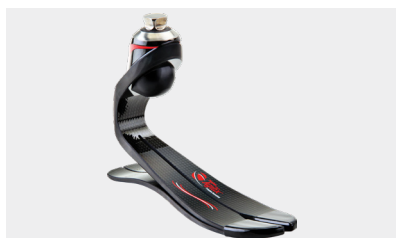

### Freedom **Highlander**

The Highlander provides active patients with an efficient and smooth gait with excellent energy return.

### Freedom **Agilix**

The Freedom Agilix uses shock absorption to reduce socket shear forces and improve user comfort.

### Freedom **Pacifica LP**

An ultra-low profile design, requiring less than 50mm of clearance for most commonly used sizes.

### Freedom **DynAdapt**

The DynAdapt is a slim profile, carbon fibre foot system with a slender, anatomical design with a multi-axial function for maximum comfort.

For more information on the MPK package, including part codes for ordering, please refer to the Freedom Plié 3 brochure, or contact customer services on [customerservices@steepergroup.com](mailto:customerservices@steepergroup.com) or call 0113 270 4841.
