EEP - **L/R** **B/C/J/S/W/001** **D/S** - **CO/IBT**

Side	Code	Colour	Code	Size	Code	Pattern Recognition*	Code
Left	L	Brown	B	Standard	D	Coapt	CO
Right	R	Caucasian	C	Small	S	IBT	IBT
		Jet Black	J			None	Leave blank
		Silver	S				
		White	W				
		Black Carbon Finish	001				
		Custom Colour*					

*Please specify upon ordering

*This information is required to ensure the appropriate circuit board is pre-installed to the Espire Elbow input connector board. The Complete Control Gen 2 must be ordered directly from Coapt, and the IBT Sense ordered from IBT.

2. Choose Inputs

TruSignal A/C Electrodes

TruSignal A/C Electrode Kits (includes circuit board EE-CB-TL)

CP - **TLE** - **1/2/4/6** **06/12/24** - **L/M/P**

No. of sites	Code	Cable length	Code	Dome size	Code
1 site	1	15cm (6")	06	Large	L
2 site	2	30.5cm (12")	12	Medium	M
4 site	4	61cm (24")	24	Paediatric	P
6 site	6				

Steeper D/C Cased Electrodes

Steeper Myoelectric D/C Cased Electrodes
Qty: ____

ELEC	50/60	Electrode Hz	Code
		50Hz	50
		60Hz	60

Steeper Myoelectric Electrodes Seal-In Kit
Qty: ____

ELSK	50/60
-------------	--------------

Linear Transducer

Steeper Linear Transducer (CP-LT-01)

Touch Pads

Espire Touch Pad Kit (CP-TPK-01) Qty: ____

ESPIRE PRO ORDER FORM cont.

Input Cables

- Espire D/C Cased Electrode Cable (EE-CP-DC) Qty: ____
- Espire Ottobock Electrode Cable (EE-OB-DC) Qty: ____
- Espire Ottobock Dual Switch Cable (EE-OB-SC) Qty: ____

Bump Switch

- Espire Bump Switch (EE-BS)

Third-Party Input

- Device name and intended function: _____

Input Function

Please list which input will be used to control each desired function.

- Locking/Unlocking the Elbow _____ Pronating/Supinating the Wrist _____
- Flexing/Extending the Elbow _____ Opening/Closing the Hand _____

3. Select Wrist

- Steeper Quick Disconnect Wrist 45mm wrist (QDAWA-45) 50mm wrist (QDAWA-50)

Third-Party Wrist

- Wrist name and manufacturer: _____

4. Define Terminal Device

Define the terminal device that will be used with the Espire Pro.

5. Select Additional Charging Accessories

The Espire Pro comes with a single-bay charger as standard.

- Espire Dual-Bay Battery Charger UK (EE-CH-2UK) US (EE-CH-2US) EU (EE-CH-2EU)
- Steeper Battery Car Charger UK (EE-CCH-UK) US (EE-CCH-US) EU (EE-CCH-EU)

6. Optional Extended Warranty

- Espire Elbow 2 Year Extended Warranty (EE-WAR2)

7. Additional Information

6 site	6				

Steeper D/C Cased Electrodes

Steeper Myoelectric D/C Cased Electrodes

Qty: ____

ELEC **50/60**

Electrode Hz Code

50Hz 50

Steeper Myoelectric Electrodes Seal-In Kit

Qty: ____

ELSK **50/60**

60Hz 60

ESPIRE HYBRID ORDER FORM cont.

Linear Transducer

Steeper Linear Transducer (CP-LT-01)

Touch Pads

Espire Touch Pad Kit (CP-TPK-01) Qty: ____

Bump Switch

Espire Bump Switch (EE-BS)

Third-Party Input

Device name and intended function:

Input Cables

Espire D/C Cased Electrode Cable (EE-CP-DC) Qty: ____

Espire Ottobock Dual Switch Cable (EE-OB-SC) Qty: ____ Espire Ottobock Electrode Cable (EE-OB-DC) Qty: ____

Input Function

Please list which input will be used to control each desired function.

Locking/Unlocking the Elbow _____ Pronating/Supinating the Wrist _____

Opening/Closing the Hand _____

5. Select Wrist

Steeper Quick Disconnect Wrist 45mm wrist (QDAWA-45) 50mm wrist (QDAWA-50)

Third-Party Wrist

Wrist name and manufacturer: _____

6. Define Terminal Device

Define the terminal device that will be used with the Espire Hybrid.

7. Select Additional Charging Accessories

The Espire Hybrid comes with a single-bay charger as standard.

Espire Dual-Bay Battery Charger UK (EE-CH-2UK) US (EE-CH-2US) EU (EE-CH-2EU)

Steeper Battery Car Charger UK (EE-CCH-UK) US (EE-CCH-US) EU (EE-CCH-EU)

8. Optional Extended Warranty

Espire Elbow 2 Year Extended Warranty (EE-WAR2)

9. Additional Information
